

## MMG Financial report for 2025.

The financial management of the group was handed over from Peter Williams to Phil McGregor and a new account was opened accordingly. Existing funds were then transferred to the new account.

An immeasurable thank you to Peter Williams for all his hard work keeping the moth group financially afloat and in good shape, from its founding up to this time.

## Grant award funding 2024/2025.

Partneriaeth Natur Powys  
Powys Nature Partnership

October 2024, the moth group became aware of the Welsh Government Local Places for Nature (LPN) fund, managed for Montgomeryshire by Powys County Council Powys Nature Partnership (PNP). The grant funding offered opportunities to expand and diversify the outreach activities of the moth group, connecting people from all backgrounds, with nature nearer where they live, be that urban or rural settings.

We were thrilled to learn of the success of our application. In total, a sum of £3,007.79 was awarded to MMG.

A breakdown of the funded purchases is shown below.

60ml clear collecting pots.....	£126.01
Field Guides.....	£266.90
Extension cable drums 50m x 2.....	£105.84
Zeno folding tables 4f x 2.....	£47.90
Labels for seed packets.....	£13.70
